

Letter from the Program Director, 2018 19

Dear Friends,

I am writing to you today to express my deepest gratitude for your support and appreciation of our theater program. Your kind words and encouragement have been a source of great inspiration and motivation for us.

We are currently in the final stages of preparing for our annual production of "The Little Match Girl". This year's production promises to be a special one, featuring a cast of talented young performers who have worked hard to bring this classic story to life. We are also excited to announce that we will be performing at the local community theater on November 17th at 2 PM.

In addition to our main production, we have several other exciting events planned throughout the year. We will be hosting a series of workshops and masterclasses for students interested in theater arts, as well as a variety of performances and presentations. We are also looking forward to our annual "Fable Day" event, where we invite families and friends to come and enjoy a day of fun and entertainment.

Thank you again for your support and continued interest in our theater program. We look forward to seeing you all soon!

John Lawton Haehl
