

B: Interaction

B1: I **initiate contact** prior to or at the beginning of the course and provide **multiple resources** to help students successfully get started.

Yes

Not Sure

B2: Instructor has included **regular instructor-initiated contact** using Canvas communication tools in my course design.

B3: Students have been encouraged to **initiate contact with Instructor** through easily accessed contact information that includes expected **response times**.

B4: Instructor has provided and encourage opportunities for **student-initiated interaction** (non-
