

Guided Pathways Building Blocks

Guidance Team

Composition: Made up of 1-2 faculty, staff, and admin. The team would likely include a President's Cabinet member.

Charge: Prepares GP leaders meetings, sets GP team to manage the overall initiative, report the initiative to the President's Cabinet.

Guided Pathways Leaders

Composition: Made up of faculty, student, staff, and admin. Special effort will be made to have steady input of part-time faculty and staff in addition to full-time faculty and administrators/managers. The group will include representatives from each work group.

Charge: Provides training for workgroups, maintains communication, planning and work group efforts. Represent GP goals within existing shared governance.

Work Groups

Composition: Made up of a combination of staff, faculty and students focused on a particular area.

Charge: Conduct the work to complete the initiative, report progress into the communication approach to the work.
