

# 3778 - Computer Science

## COMPA1 - Computer Science

Students must complete 144 UoC when taken as a standalone program. This is made up of the below components:

1. 96 UoC of Computer Science major
2. 36 UoC of Free Electives - students can also choose to undertake an optional minor or a combination of an optional minor and Free Electives to fulfil this requirement (this is further detailed in the Handbook).
3. 12 UoC of General Education Courses
