8. Course evaluation and development .....	8
9. Academic honesty and plagiarism .....	8
10. Administrative matters and links .....	9
Appendix A: Engineers Australia (EA) Competencies .....	10

You should aim to spend about 9 h/w on this course. The additional time should be spent in making sure that you understand the lecture material, completing the set assignments, further reading, and revising for any examinations.

### Contact hours

Day	Time	Week	Delivery Mode	For
-----	------	------	---------------	-----

### *Acknowledging the work of others*

All quoted sources must be clearly referenced in a Bibliography at the end of all written work using a **single referencing system** (e.g. <https://student.unsw.edu.au/apa>). In-text citation and referencing of all figures, tables and diagrams etc. that are taken from other works must be undertaken in full compliance with the chosen single referencing system. If in doubt, consult <http://www.lc.unsw.edu.au/>

### **Special consideration and supplementary assessment**

If you have experienced an illness or misadventure beyond your control that will interfere with your assessment performance, you are eligible to apply for Special Consideration prior to submitting an assessment or sitting an exam.

**Please note** that UNSW now has a [Fit to Sit / Submit rule](#), which means that if you attempt an exam or submit a piece of assessment, you are declaring yourself fit enough to do so and cannot later apply for Special Consideration.

For details of applying for Special Consideration and conditions for the award of supplementary assessment, please see the information on UNSW's [Special Consideration page](#).

## **7. Expected ~~resources for students~~**

Content on the course Moodle page and Teams will be updated often with tips, discussions
