

- x the releasing registered provider has had a sanction imposed on its registration by the ESOS agency that prevents the overseas student from continuing their course with that registered provider;
- x any government sponsor of the overseas student considers the change to be in the overseas student's best interests and has provided written support for the change. This usually applies where the overseas student's study in Australia is sponsored by the government of another country.

2. Students seeking to transfer from UNSW to another registered provider

2.1. UNSW responsibilities

International students seeking to transfer from UNSW to another registered provider before completing six months of their principal program must request approval to transfer and obtain a release from UNSW. The student will be notified in writing, within 10 working days, of the outcome of the application. If the release is granted it will be at no extra cost to the student.

UNSW will grant a release (i.e. record a release in PRISMS) if the student can demonstrate any of the following:

- x They are in receipt of a packaged Confirmation of Enrolment (CoE) and have not met the requirements for the principal program.
- x They have evidence their reasonable expectations about their current course are not being met.
- x They have evidence they were misled by UNSW or an appointed representative regarding their program and the program is therefore unsuitable to their needs and/or study objectives.
- x

- x SDI will notify the Department of Home Affairs via the Provider Registration and International Students Management System (PRISMS) that the student is no longer enrolled at UNSW and has transferred to another institution.

If the request to transfer to another institution is not approved:

- x SDI will notify the student of the decision in writing providing the reasons for the decision not to grant a release, advising the student that they may freely transfer after completion of six calendar months of their principal program at UNSW and p 9 6 . 4 (n c 9 T w 0 E D
