Impact Strategy

Acknowledgement of Country

Kingsford Legal Centre acknowledges the Gadigal and Bidjigal Clans, the traditional custodians of the Sydney Coast. We pay deep respect to those Elders, past and present and thank them for allowing us to work and study on their lands.

Kingsford Legal Centre Theory of Change

Kingsford Legal Centre believes that a fairer legal system means removing barriers to justice especially for people

Focus 01

Increase Access to Justice and Redress Disadvantage

What

economic disadvantage to promote health

Why

There is an access to justice problem in Australia. Many of our clients and communities are disproportionately impacted by the law, feel they have a voice. KLC will improve access and multiple forms of social and economic

How

- >
- > Work in our communities, and provide legal
- > Advocate for the rights of all to have access to justice.
- > Advocate for the important role of community legal centres.
- > Highlight how the law negatively impacts disadvantage.
- >
- >
- > Work holistically with other organisations
- > Recognise the importance of Aboriginal and

Focus 02

Human Rights in Action

What

KLC will improve the well-being of our community based on human rights principles and will work collaboratively to advance the realisation of human rights in Australia. We will work with the community to provide a voice on laws which affect them and listen to Aboriginal issues are important to them.

Why

Australia does not adequately protect or promote human rights. The attainment of human rights increases fairness, equality

How

- > Lead and undertake international human rights work to advance human rights
- > Work collaboratively and recognise the
- > Lead conversations with our community about what human rights are and why they are important to our community.
- > Recognise the importance of intersectional
- > Recognise the importance of economic, social and cultural rights for our communities.
- > Argue for systemic change to better promote and protect human rights in Australia.

Focus 03

Health, Wellbeing & Justice

What

We work collaboratively with health, social and welfare services to provide early intervention

issues. We do this to obtain better, longer lasting and sustainable solutions to legal and non – legal problems that promote and

Why

Legal problems are interconnected with health and wellbeing. Access to legal help can

and communities.

How

- > Work collaboratively with health, social and welfare services to provide early intervention health issues.
- > Obtain better, longer lasting and sustainable solutions to legal and non – legal problems that promote and support wellbeing.
- > Work collaboratively and provide holistic, long term legal services in conjunction
- > trauma informed approach.
- > Recognise the impact of family violence and gendered based violence as an impediment
- > Recognise the human rights of people who need our help to make informed decisions about
- > Adapt and respond to changing community
