*HLTH1001 Academic Preparation for Health Studies is compulsory for all students to assist them in gaining maximum benefit from their study. This course is made available at no charge to students and does not contribute to the UOC requirements of the degree. The expected study load is 8 courses spread over three terms.

Students are required to meet mandatory compliance requirements and maintain their compliant status to successfully progress through the program. Please see Medicine and Health <u>Policies</u> for a full list of compliance
