Bachelor of Life Sciences (3966)

Information is correct as of 29.08.2022 and is based on proposed prerequisites and course availability.

with a major in

(CHEMJ13966)

Major	72 UoC (12 courses)
Science Electives	24 UoC (4 courses)

are courses taken from within the Faculty of Science, as defined by in the Online Handbook.

may be from Science or from any other Faculty at UNSW.

courses cannot be Science courses, and Science students cannot take GENS courses for their General Education.

Students cannot complete more than 72 UoC of Level 1 courses including any GEN courses and Level 1 courses taken for General Education.
