Bachelor of Arts/Education (Secondary) 4053

Term 1 2022 Commencing Students

The Bachelor of Arts/Education is a four-year program for students intending to become secondary school teachers in one or two of the available teaching areas.

Students complete the Arts component (96uoc) and the Education component (96uoc).

The courses that the student completes as part of their Major and Minor, or Extended Minor, in the Arts component, will form the 'subject content' for their chosen teaching area(s).

Students who want to be accredited in two first teaching areas at the end of the program must complete a Major and Extended Minor (see pages 2 & 3) for the Arts component.

Students who want to be accredited in a first and additional teaching area (Modern History & Ancient History only) or a first teaching area via double specialisation (English only) must complete a Major and supporting Minor (see pages 4 & 5) for the Arts component.

<u>It's very important to refer to the online handbook for your program and stream requirements, plus any additional</u> <u>notes on accreditation.</u> The sample programs on the following pages show you some examples of how you might plan your enrolment. This should be adapted based on the availability and prerequisites of courses for your chosen Major and Minor, or Extended minor.
