

## Ad Hoc and Reviewing Replenishment Orders

# Ad Hoc and Reviewing Replenishment Orders

Chemical Inventory Management Chem

A screenshot of the 'Review Replenishments' software interface. The interface shows a breadcrumb trail: Home Data | Replenishment | Review Replenishments. Below this is a dropdown menu with the text 'UNSW STORE LOWER -&gt; CHEM STORE' and a 'Review' button with a right-pointing arrow. A 'Details' button is also visible. The main content area is mostly obscured by a large black redaction box. The text 'Product Bar Code: 155007' is visible on the right side of the interface.
