Industrial Relations Research Centre Annual Report 2015

Key Facts

The Industrial Relations Research Centre (IRRC), founded in 1980, is a grouping of research associates from inside and outside UNSW, who collaborate to conduct and publicise research on issues of economic and labour relations. The IRRC has been publishing its *Economic and Labour Relations Review* (ELRR) since 1984. The *ELRR* was in its 26th year in 2015.

The *Economic and Labour Relations Review* (ELRR) was in its 26th year in 2015.

Our mission

The IRRC's mission is to promote research and discussion on issues of economic and labour relations, and to contribute to the public interest through ethical research, open communication and accountabil-

Our values

We are committed to:

Acting in the public interest, through ethical research, open communication and accountabil-

Objectives for 2015

The IRRC's objectives for 2015 are:

Objective 1: To continue to build the impact of *The Economic and Labour Relations Review*.

Objective 2: To continue to build the impact of *The Economic and Labour Relations Review*.

Objective 3: To continue to build the impact of *The Economic and Labour Relations Review*.

Objective 4: To continue to build the impact of *The Economic and Labour Relations Review*.

Objective 5: To continue to build the impact of *The Economic and Labour Relations Review*.

Objective 6: To continue to build the impact of *The Economic and Labour Relations Review*.

Objective 7: To continue to build the impact of *The Economic and Labour Relations Review*.

To achieve these objectives, the IRRC will:

• Disseminate research findings through grants and industry contracts.

• Disseminate research findings through media releases.

• Disseminate research findings through media releases and reports.

• Publish the *Economic and Labour Relations Review*.

• Publish the *Economic and Labour Relations Review*.

Election of IRRC Director Professor Michael Quinlan as a Fellow of the Academy of Social Sciences in Australia (FASSA)
