

SENIOR ACCOUNTANT

DEFINITION:

Under general direction, to perform advanced professional accounting work in the preparation and maintenance of College accounting procedures and records; to provide lead supervision to business services staff; and to perform related duties as assigned.

DISTINGUISHING CHARACTERISTICS:

This is the advanced level in the professional accounting series. In addition to the full scope of professional accounting duties, positions at this level provide lead supervision to accounting staff, participate in the development and implementation of new standards and requirements, and perform the more advanced and complex professional accounting duties. This class is distinguished from Supervisor, Budget and Accounts in that the latter has managerial responsibility for accounting and fiscal services.

ESSENTIAL DUTIES: The following duties are typical of those performed by employees in this job title; however, employees may perform other related duties, and not all duties listed are necessarily performed by each employee in the job title.

- Provides lead supervision to other accounting staff; provides assistance and training; supervises the business services staff in the absence of the Supervisor, Budget and Accounts;
- Assists in the implementation of new accounting standards and requirements; installs new accounting systems and procedures and instructs others on their use;
- Assists departments with their budgets, reporting requirements and use of accounting software; assists in preparation of tentative and adopted budgets;
- Maintains the automated collection system, analyses monthly reports, prepares and presents semi-annual reports;
- Conducts internal audits and assists with field audits on an assigned basis; audits each payroll; corrects posting errors and distributes payroll to the General Ledger; processes payroll in the absence of the payroll officer;
- Reviews accounting documents to ensure accuracy of information and calculations and makes correcting entries;
- Examines supporting documentation to establish proper authorization and conformance with agreementsgneDC BTsgneDC BTs
