

Exhibit A

Scope of Work to be provided by Discovery Counseling Center

It is expected that staff will only provide services based on their credential (i.e., license, education, training, and experience) and utilize current evidence-based methods of intervention. Further limitations may be due to lack of experience in the specific service category or by an agency's restrictions. Volunteers remain subject to scope of practice.

Behavioral Health Service Activities	DCC staff who will provide this activity
<p>LEVEL I: PREVENTION SERVICES / MENTAL HEALTH FIRST AID</p> <p>Faculty In-service Trainings Parent Workshops Psychoeducational Groups & Assemblies Student-centered advocacy</p>	<p>Licensed or post-graduate registered (license-waivered) social workers, marriage & family therapists, or professional clinical counselors.</p>
