

The ASGC wishes to welcome and invite all persons, groups, and businesses to campus; whom wish to benefit student life and the campus experience. We believe in free speech, zero tolerance of discrimination, and equal opportunity for all. For these beliefs, we the collective ASGC elected officials, have set policy for vending and soliciting on campus:

- The vendor or solicitor must reserve space a minimum of one week before visit; (for organizational planning and to eliminate competition).
- Vendors/Solicitors will be held to a maximum of 3 consecutive days and no more than 10 days over a calendar month.
- Receipts are to be displayed at all times by each vendor or solicitor – no exceptions. Space can be purchased at the Business Office located by Parking Lot A. In the event the vendor or solicitor does not have their receipt, the vendor or solicitor will be escorted out by security.
- Any solicitors obtaining signatures are strongly encouraged to stay within the confines of the gazebo and quad area. They MUST NOT approach students anywhere on campus. All solicitors who wish to do business in the Student Center must stay at their table. Solicitors will be escorted off campus for non-compliance of these policies.
- Banks, finance and/or other credit card institutions will not be permitted to solicit customers or applications on campus.
- Items that have symbols of alcohol, tobacco, vaping, or drug paraphernalia will not be allowed to be sold or displayed.
- No Refunds.
